

Workpackage 1 Workshop I

Traffic Research Unit &
Counselling and Health Studies
Unit
University College Cork

life quality
of senior citizens

size

in relation to
mobility conditions

The logo for the 'size' project, featuring the word 'size' in a bold, lowercase font. The letter 'i' is stylized with a red dot and a red vertical bar. Above the word 'size' is the text 'life quality of senior citizens' and below it is 'in relation to mobility conditions'.

Workpackage 1 - Methodology:

- Organisation of Workshop 1 and group discussion among the participants to order to achieve goals of the Workpackage;
- Set out the objectives of the project and the role of each participant;
- Presentation of project / discussion with senior citizen groups (both participants and local organisations);
- Provide a basis for the preparation of Focus-Group-Interviews (FGI's)

Workshop 1 - participants
